1. Everything changes in your life your lives now mine. This is Theodore Cottingham January 10, 2009 at 12:02 PM in Big Red.

2. Everything changes in your lives mine. Everything changes in mine lives who are mine lives now not separating themselves into others' lives and others things -- words that know not where have taken them what it is that hath taken their, robbery not, but robbing them of their sinhood's sinfulness, not; but giving it to them! And feeding frenzy, not, but feeding the frenzy of the not mild and meek, manner'd were they?

3. But I am mild and meek mannered, not always, but I am telling many new things, as it were, as it is, **as it was and is -- no more shall be** as is was; for I change everything and I make holy the remnant, not; but I bring the remnant not into holey-wise-ville, but I bring the complete remnant me now complete, and no longer shall I be a hole'y ragged one in rags sitting on the ground hoping for better lives in the future.

4. See, how much I can say in a "mile" - as you travel along and WRITING me now my New Beginnings Series (1) coming along nicely and forthwith finishing now, shall we? Yes! And I love thee thy forthright manner and now calling things "a spade, a spade" as a spade.

5. So be not unequally yoked with me, not, but what does that mean? Or wherewithal does that mean anything? Or who means meaniness in my word, not; but who's "Meany"? And who's Ryan? And where from, and going to now? And who will KNOW what this means and what I've said to thee who love me, who I love with all MY heart, "neat sweet and wonderful"-ly shall we look up now?

6. And knowing I am given all things as desired, not; or am I giving thee the desires of all thine hearts mine? And I will be unto me a new nation, a new race, of priests - "comforting" each other, not; but coming into me to be me; my wild ones, not; but my uncontrollable untamable ones who tame are meek and mild, not; but who know the power of one, and growth now takes place as never imagined, exponentially acceleratingly and lovingly and loving me I do all of you who want me enough to flow my words being them and in them writing about them and being me perfectly perfected now in, earthily manners, not; but yes -- the King's! The King's is mine and I mine the

King, the King's words to be the King that I am is now a forefront'd all in your forefront'd vision now projecting me perfectly from here on in and out now seamlessly throughout the universes I-we go now and seamless are with the perfect made –

7. Professionalizing me, not; but "professing the faith" not again, but being the faith'd one that has gotten attained the prize of the most holy, for you died to all else. And now I bring The Resurrection, post haste, not; but before YOU ALL to see what my resurrection power does in a man so meek and mild as to surrender his life before me, to flow the reality of words that has given him mine. My mind complete. My minded one complete in me beginning now **THE NEW BEGINNINGS that series'd are** and series is, and now will you read all of my series, My New Beginnings Series (1) CAREFULLY SCRUTINIZINGLY, not for debate, but for discussions purposes and knowing anointing that you have never known before -- coming into me and out of me and being me –

8. Solidly frozen no more, but the earth knows nothing of its glory now that I have given a man who will be me; a woman a man a child who will come into me now will not be denied my glory, for I will give it "them" not, I will simply be me, and

9. I have taught you much and many things in these words in this Database of Lessons (2) that now fulfill the foundation of one I am -- holy and loving you all to be me in me, and bringing me forth, the now me series of me perfected and holy again -- far and wide. Loving you all.

10. This is Theodore Cottingham 12:11 PM. Thank you.

Amen
